

naxos videolibrary

## **NAXOS VIDEO LIBRARY**

**a unique streaming video subscription service  
offering a wide range of full-length videos  
of concerts, operas, ballets and documentaries**

[www.NaxosVideoLibrary.com](http://www.NaxosVideoLibrary.com)

## Watch the world's greatest opera houses, ballet companies, orchestras and artists perform on demand!

Naxos Video Library [www.NaxosVideoLibrary.com](http://www.NaxosVideoLibrary.com) offers more than 2,600\* full-length videos of concerts, operas, ballets, feature films, and documentaries from prestigious performing arts labels such as Arthaus, Bel Air Classiques, Bredon Hill Media, Broadway Digital Archive, C Major, Christopher Nupen Films, Dacapo, Dynamic, EuroArts, Global Television, Golandsky Institute, Hänssler Classic, ICA Classics, Marco Polo Music in Motion, Naxos, Ondine, Opus Arte, Royal Philharmonic Orchestra, Seventh Art Productions, SFS Media, Spectra, Stiftung Niedersachsen, TDK, Unitel, US Army Field Band and others. Featuring performances from legendary artists including Placido Domingo, Luciano Pavarotti, Martha Argerich, Gerald Finley, and celebrated conductors such as Leonard Bernstein, Claudio Abbado, Valery Gergiev and many more, videos are available to stream at 700 Kbps (standard quality) and 2 Mbps (high quality) and the service is compatible with both PC and Mac computers.

Naxos is the only label, independent or major, with a substantial commitment to music education offering a wide range of educational products. In 2004, Naxos launched **Naxos Music Library** which has become the industry standard in streaming audio music education. With more than 1.7 million\* tracks of music, powerful tools to stimulate music education and research, the daily addition of new releases and remote access, **Naxos Music Library** continues to be the undisputed leader in the field of digital delivery of quality music and educational content. In addition to **Naxos Music Library**, we also offer **Naxos Music Library Jazz** which includes the catalogues of Blue Note and Fantasy; **Naxos Spoken Word Library** – an audiobook resource; **Naxos Music Library World** – a collection of world music from over 160 countries including the complete catalogues of Smithsonian Folkways, ARC and Celestial Harmonies; and **Naxos Works Database** – a place where you can find all the most important information about 65,000 classical musical works and 3,500 composers. All these services firmly support Naxos' commitment to music education.

\* Figures as of November 2016

## FEATURES AND FUNCTIONS

**A separate, yet complementary service to the company's existing suite of library music services, Naxos Video Library includes the following special features:**

- Ability to stream videos at 700 Kbps (standard quality) and 2 Mbps (high quality) resolutions
- Create custom clips, which can be edited and added to individual playlists
- Access to pre-defined video chapters, as well as individual arias and scene breaks of operas
- Subtitles in up to 5 languages
- The ability to follow along with scrolling libretto text
- View video as Full Screen, 2/3 Screen or 1/4 Screen
- Advanced search functionality, including the ability to search by category, role, composer, artist, production, personnel, work venue or festival

## ABOUT NAXOS

Naxos has focused on maintaining its repertoire- and customer-focused philosophy since Klaus Heymann founded it in 1987. It is the world's leading classical music label, garnering awards from major music publications like Gramophone, numerous Editor's Choice awards, GRAMMY® nominations and awards, nominations and wins from the Cannes Classical Awards, and AFIM nominations and awards. With offices in 12 countries, the company's properties include:

# WHY THE NAXOS VIDEO LIBRARY?

## Value for money

Naxos has stood for a combination of first-class performances and recorded sound at an affordable price. The Naxos Video Library offers the same outstanding value-for-money proposition.

## On-site and remote access

Students, teaching staff and other authorised users can log in and watch in the library, lecture room, dormitory, office or at home.

## Online content saves time, money and space

With the Naxos Video Library, no lost or damaged DVDs need ever to be replaced. No more worries about lack of shelf space. Multiple copies are no longer required.

## Customer support

Naxos' international presence means that any assistance you may need in setting Naxos Video Library up for your library is never far away.

## Flexible fee structure

The fee structure is based on the number of simultaneous users, with a minimum of only five users for universities, music colleges and public libraries, and three for schools. Registered users can be both individuals and workstations, on and off campus / site.

## Vast range of content

Teaching staff can plan their courses around a wide range of content. Naxos Video Library is an extensive streaming video library of classical music performances, operas, ballets, concerts and documentaries.

## Multiple, simultaneous access

Multiple users can simultaneously stream the same content or different content at the same time. The Naxos Video Library is available around the clock for unlimited simultaneous access.

## Simple set up

Set up is simple and easy. For educational institutions, Naxos will create a dedicated URL, and flexible access control with a combination of IP address check and Referring URL. Separate usernames and passwords will also be available for professors / teaching staff and library administrators.

## Naxos, a name you can trust

Naxos has been a leader in classical music since 1987. You can be confident that Naxos will be your partner in digital classical music for many years to come.

## In-copyright musical works

Naxos has valid licences with all international public performance societies allowing Naxos to stream in-copyright musical works.
