

Answering the demand for sustainable, safe, and healthy foods:

BIOCOAT project

August 24, 2021

10⁰⁰-11¹⁵ CET

10⁰⁰–10⁰⁵ Log-in to Teams meeting

10⁰⁵–10¹⁰ **Opening of the webinar**

Dr. M. Malakauskas, Lithuanian University of Health Sciences, LSMU, LT

10¹⁰–10²⁵ **Demand for sustainable, safe, and healthy foods: Project BioCoat**

Dr. L. Serniene, Lithuanian University of Health Sciences, LSMU, LT

10³⁰–10⁴⁰ **Biodegradable packaging for cheese ripening and distribution**

Dr. Inga Ciprovica, dr. Sandra Muizniece-Brasava, Vjaceslavs Kocetkovskis, Latvia University of Life Sciences and Technologies, LV

10⁴⁵–10⁵⁵ **Probiotic Edam-type cheese as a model for testing biocoating**

Dr. E. Songisepp, Biotechnology Competence Centre, BioCC OÜ, EE

10⁵⁵–11⁰⁵ **Intestinal fate of the novel cheese: Protein digestibility and probiotic survival**

Dr. I. Rud, Nofima, NO

11¹⁰–11¹⁵ Closing of the webinar, final remarks
